

CASCL Summer Letter of the League

August 2023

Salvete omnes!

I hope that this message finds you well and enjoying the beautiful summer season. This spring, the omnipresent CASCL supported the first in-person State Convention since the onset of the COVID-19 pandemic. On the track, field, on and off the court, we were omniscient as we facilitated Ludi and Olympika events. On the stage, we were indispensable, producing two astounding That's Entertainment skits. As we return to a greater sense of normalcy, we will need YOUR help! But first, join us for our Summer Mixer in Irvine, California.
