

CASCL Summer Letter of the League

July 2024

On behalf of the 2024-25 CASCL Executive Board, it is my distinct honor and privilege to announce the appointment of Katrina Watson as the 2024-25 CASCL Vice President. Her appointment concludes a brief “state of emergency” brought about by an electoral tie. On June 7, 2024, a call for candidates and an application was sent to all primary members who have been members for more than a year and are in good standing. Interviews were conducted on June 23, 2024.

FROM THE DESK OF THE VICE PRESIDENT

Salvete omnes,

Mihi nomen est Katrina and I am the 2024-2025 CASCL Vice President. I along with several other CASCLers recently attended the 2024 NJCL Convention in Tennessee. We were so excited to support California and see all of those who attended!

While the NJCL Convention is an undeniably enjoyable experience, we recognize that the cost of attending from California can be an obstacle. There are resources available at the state and national level to support you in paying the convention and/or travel cost for convention. Additionally, for newly graduated high school seniors and full SCLers, there are scholarships available for you for both convention and college.

For more information on scholarships, please visit <https://www.cajcl.org/scholarships.html> and <https://www.njcl.org/Students/Scholarships>. I myself am a scholarship recipient this year, winning the Hal Rather Award which covers the cost of the convention package for one SCLer in honor of the late Hal Rather. If you have any questions, please feel free to message me at scl@cajcl.org or approach me at any Latin event.

Pax,
Katrina
