SERVICE PROJECT: BLANKETS AND TOYS FOR ANIMAL SHELTERS

At SCRAM, Sage Hill JCL will be hosting pet toy making opportunities for donation to the Anti-Cruelty Society. This organization is at the forefront of animal welfare and humane education. Their open-door and no-kill policy as a shelter helps them achieve their goal to provide compassionate care to every animal in need. We are excited to help the Anti-Cruelty Society raise awareness and provide rehabilitation to animals without homes. All supplies will be provided.
